Simmons takes open

By BILL TRIMYER

An impressive line-up of players competed in a five-flited tournament during last Wednesday's Greater Pamplin Open. The Greater Pamplin Open, which is quickly becoming an annual affair, was played at the Hat Creek Golf Course in Brookneal.

This year's twenty-one players competed for top cash prizes, as well as prizes offered by Pamplin Town merchants and other tournament players.

In the first flite Kim Simmons burned the course with a 79, capturing first place and the top cash prize. Second place prize money went to Jimmy Carwile for his 80 strokes.

In the second flite Sonny Tolly took the prize with his score of 92. Second place prize money went to Lewis Mann for his unbelievable score of 93!

The third flite required a sudden death play-off between Richard Williams, Jr., Leroy Davis and Ryland Womack. In sudden death Ryland Womack out witted Williams and Davis to capture first place. Leroy Davis narrowly defeated Williams for the second place position.

The fourth flite once again called for a sudden death play-off between Ronnie Price of Richmond and James Daubenspeck. Both players had completed their 18 hole round with a 101. Towards the end of the sudden death play-off it was Daubenspeck out front only to be done in by the sharp shooting David Baldwin. In the fourth flite it was David Baldwin in first place and James Daubenspeck capturing second place prize money.

David Baldwin also won an extra prize for the player making the most strokes on one hole. Good show, David!

In the fifth and final flite it was touch and go for the players Kress, Dudley, Bryant and Trimyer. When the dust had settled, Bill Dudley had captured first place prize money with a winning round of 109, followed by Ivan Bryant with a 110. Raymond Kress and Bill Trimyer brought up the rear with the unbelievable scores of 113 and 116 respectively.

Trimyer's 116 was made more bearable in that last place received a dozen new balls for his efforts. Better luck next year to Raymond and Bill!

Numerous prizes went to players making the longest drives and closest to the pin on first and second shots.

Several players were seen more often in the woods than on the fairways. Names are withheld by request!

This year's field of golfers included: Jimmy Carwile, Gene Price, Kim Simmons, Hunter Tolly, Rick Simmons, Sonny Tolly, Lewis Mann, Dick Richardson, Howard Williams, Jr., Richard Williams, Jr., Leroy Davis, Ryland Womack, Melvin Reynolds, Ronnie Price, James Daubenspeck, David Baldwin, W. G. Davis, Raymond Kress, Bill Dudley, Ivan Bryant and Bill Trimyer. A late comer, Mr. Conard Seymour, joined in the back nine.

The Second Annual Greater Pamplin Open will be long remembered by some and intentionally forgotten by others! As the field of players expands each year The Greater Pamplin Open is sure to become a big event. Who can tell what famous names may appear on the playing card in the years ahead?

'Old-timers' game planned in Pamplin

A baseball game for "old timers" age 30 and up is being planned by Raymond Dickerson of Pamplin.

According to Dickerson, a team composed of men from the Pamplin - Appomattox area who have played professional, semi-pro, high school or sandlot baseball will take on a team composed of such players from the Farmville area. He said the minimum-age limit is age 30, but there is no maximum age limit.

Dickerson says the game is being scheduled for August, and will be played on the Pamplin Community Center baseball field.

Plans are for homemade ice cream made by the players' wives to be sold during the game. There will be a $5.00 gift for the oldest participating player, according to Dickerson.

Bobby Showalter will coach the team from Farmville, Dickerson adds.

All proceeds from the event will go toward purchase of equipment and uniforms for local little league baseball teams.

Anyone interested in participating in the "old timers" game should contact Dickerson at 248-5778 for additional information. He says that six people from the Pamplin - Appomattox area have expressed an interest in playing in the game thus far, and eight men have signed up to play on the Farmville team.

Behind the Reds are the Phillies with three wins and two losses, the Tigers with two wins and four losses, and the Angels, who have lost five against no wins.

Mann said last week, "We have some good ball games in our league, and would like for more people to support our youth baseball here in the county. Games are played on Monday, Tuesday, Wednesday and Thursday at the town ball park."

Maryjane Smith is honored nationally

Longwood's outstanding senior basketball player Maryjane Smith (Pamplin) has received honorable mention on the 1980 American Women's Sports Foundation Division II All-America basketball team, it was announced recently.

Smith averaged 17 points and 8.2 rebounds during the past season while earning a spot on the All-VAIAW Division II team. She became only the second player in Longwood history to have scored over 1,000 career points, finishing her four-year career with 1,184 points.

A graduate of Appomattox High School, Smith was an All-District performer in several sports. As she has done at Longwood, Smith broke the 1,000 point barrier in high school as well.
